2011 FIRST[®] Choice

Program Rules:

- The FIRST Choice store will open on January 10, 2011 and close on January 16, 2011.
- There are four (4) groups of FIRST Choice parts. Teams may select up to three (3) parts total, but not more than one (1) part per group.
- Teams may add and remove items from their "carts," but may only place their FIRST Choice order once.
- Items in FIRST Choice are free of charge; however, teams will be responsible for associated shipping costs (and duties and taxes, as applicable).
- All FIRST Choice parts are allocated to teams on a first come, first served basis.
- All FIRST Choice orders must be placed through the AndyMark website. No phone orders with FIRST Choice parts will be accepted. These orders can be paid for using a Credit Card or a Purchase Order Number. Please note - if using a purchase order, we cannot ship your order until we get a copy of your Purchase Order faxed or emailed to us.
- AndyMark parts can be added to your cart and shipped with your order to save you shipping costs!

If you have questions about the FIRST Choice program, please post them on the FIRST Forums [here](#).

For more details on FIRST Choice, view the official announcement document [here](#).

Want to share this information with your team? For a concise list of parts offered in the 2011 FIRST Choice, view the PDF posted [here](#).
